**REF : LETTER OF RECOMMENDATION FOR MR. PETER KITAKA**

The matter above refers;

Mr. Peter Kitaka is an employee with Rekimu Credit Ltd as a Director in charge of Operations. He has been with Rekimu Credit since 2017 and has been very instrumental in formulating the institution's lending policies. He has trained as a professional mediator with Mediation Training Institute East Africa a move that as a company we have supported. The skills learned will go a long way to assist Rekimu Credit and the the society in general.

Rekimu Credit Ltd recommends Mr. Peter Kitaka to Mediation Accreditation committee to be accredited as a professional mediator. We are convinced that he has the necessary etiquette and charisma to successfully perform this task as per the set standards.

Yours faithfully
